Happy New Year, Greg. I did receive this and thank you very much for sending it to me. I've taken care of the first few steps. You need to prepare a notice to the fined individual to be postmarked at least 10 days before the scheduled hearing date, which will be a PDH date. It is not necessary to publish the notice in the newspaper, only to send the notice to the individual by U.S. mail. Attached is a notice done by Harley Voss for you to use as a format. Please provide the information needed, and email this back to me. The hearing has to take place at least 15 days after our receipt of the request for hearing -- we received the request on 12/27/04 -- and not more than 120 days after that date. Let me know your choice of dates -- the hearings take place every first and third Fridays.

Hi Lona,

I just need to confirm that you received the appeal form and \$500.00 Check from Dave Spurr. It came to my office first, so I initialed and dated the bottom before sending it back to your desk.

I guess the only other thing that I will need to know, is when his hearing is scheduled....

Thank you,
